

Dear Friends,

It is with great anticipation that I invite you to the 2025–2026 *Concerts at Saint Thomas* season. This year marks an exciting development in the history of the Saint Thomas Choir School as it commences a new collaboration with the Professional Children's School. With this partnership, we help ensure that our choristers'

lives will continue to be enriched through world-class music tuition at the historic residential Saint Thomas Choir School, whilst the boys will learn further subjects alongside other gifted young professional people. As we embark on this transition to a new educational model for our choristers, *Concerts at Saint Thomas* will continue to bring you thrilling performances from world-renowned guest artists on our Grand Organ

Series, our annual suite of Christmas concerts, international visiting choirs, and, of course, choral concerts from our own Saint Thomas Choir of Men and Boys. I would like to thank the *Friends of Music*, as none of this would be possible without your generous support. I hope you will join us this season, and I look forward to welcoming you soon.

Sincerely,

Richard Tanner, *The Nancy B. and John B. Hoffmann Organist and Director of Music*

CONCERTS *at* SAINT THOMAS

2025
2026

A group of children, likely a choir, are shown in a church setting. They are wearing white robes with red collars and cuffs. The child in the foreground is a boy with glasses, looking down at a red book he is holding. Other children are visible in the background, also holding books and looking towards the front. The lighting is warm and focused on the children.
